IT DOES MORE IT COSTS LESS

Features:

- **Simple to use, small form factor converter:** This converter directly connects a DisplayPort equipped computer/laptop to an HDTV monitor, or projector with HDMI input eliminating the expense of having to upgrade your display for DisplayPort compatibility. Connect and configure your monitor for an Extended Desktop or Mirrored Displays.

- **HD Video & Authentic Audio:** Transmits high-definition audio and video from your computer to an HDTV for video streaming or gaming. Supports video resolutions up to 1920x1200/ 1080P (Full HD) and flawless audio pass-through for uncompressed digital 7.1, 5.1, or channels.

- **Simple plug and play solution:** No external power required

- **Gold-Plated Connectors:** Gold-plated connectors, bare copper conductors, and foil and braid shielding combine to provide both superior cable performance and reliable connectivity.

- **Reliable Connection:** Display Port connector with latches provide a secure connection with a release button that must be depressed before unplugging.

- **Compact Design:** Tuck this lightweight gadget into your bag or pocket to make business presentation or extend your workspace to increase productivity.

Applications

- Connect your HDMI monitor or HDTV to a DisplayPort equipped computer
- Ideal for digital entertainment centers, home offices, business conference rooms and trade show displays.
- Keep your existing HDMI-enabled monitor to be used with your new DisplayPort device.
- Ideal for using your HDMI monitor as a secondary display.
