

Product Highlights:

- This USB C 2.5 hard drive enclosure has **Reversible Type-C interface**, which can easily connect your 2.5-inch hard drive or SSD with SATA port to a PC, Laptop, and other device for data transfer. It is an ideal choice for personal storage at home and office. You can take advantage of your hdd' full potential.
- **Ultra-fast Transfer Speed:** Supports maximum transmission speed of up to 10Gbps; **support UASP** acceleration protocol, reducing CPU utilization and data latency
- User-friendly PUSH Design for **easy installation** and replacement of hard drives.
- **LED indicator** monitors the working status of the hard disk.
- Support hard drive largest capacity **2TB**.
- **Transmission Interface:** External USB3.1 backward compatible with 3.0, 2.0
Internal: SATA1, SATA2, SATA3.
- The shiny **aluminum alloy + ABS** enclosure is designed for good heat dissipation, fine workmanship, compact appearance, fashionable and practical.
- Plug and play, no external power supply needed.
- Hot Swappable without rebooting, attach and eject as needed.
- **Support size:** 2.5 inches SATA serial port, the maximum thickness does not exceed 9.5 mm. Suitable for 9.5mm/7mm HDD/SSD.
- Built-in multiple protection functions such as overvoltage, short circuit, overheating, and overcurrent.
- Compatible with Windows / Mac / Linux multi-platform operating systems. Supports Windows 2000/XP/Vista/7/8/10/11, MAC OS X

Applications:

- Take advantage of laptops and desktops with USB 3.0 (UASP) connectivity
- Turn a high-capacity SATA hard drive into a portable external storage solution
- Create a fast, portable external storage solution for desktops, laptops, or netbooks
- Upgrade the USB 2.0 drive enclosure to the SuperSpeed USB 3.0/3.1
- Add extra storage to almost any USB-enabled computer system
- Back up important data to an external storage device
- Share large files between computers quickly and securely without a network
- Retrieve data from an old SATA drive, or turn the unused drive into an additional external storage device

Package contents

- 1 x Enclosure
- 1 x USB C to USB C data transfer cable
- 1 x USB C to USB A data transfer cable
- Screws

Technical Specifications:

SKU Code	ER1216UC25
Product Name	2.5 SATA CASING (USB 3.1 TYPE-C)
Colour	Silver + Black
Form Factor	2.5 Inch
Interface	USB 3.1: 10Gbps; USB 3.0: 5Gbps
	SATA 3 Slot
Hard Drive Capacity	Support Up to 2 TB
Casing Material	Aluminium Alloy + ABS
LED	Yes
Power Source	No External Power Needed
Connectors (External)	Type-C
Connectors (Internal)	SATA 3 (Serial ATA)
Additional Features	Fitting For 2.5-inch HDD & SSD with SATA port
Item Dimensions	120x76x9.5mm
Item Weight	45 Gm
OS Support	Windows 2000/XP/Vista/7/8/10/11, MAC OS X
