Product Highlights:

- This USB-C Type-C 9-in-1 Multiport USB-C Hub is an instant expansion for your device. This Type-C hub features 3 USB 3.0 ports, SD and TF card slots, PD charging port, Ethernet, Headphone Jack and 4K HDMI video output. It provides Super Speed Data Transmission of up to 5 Gbps, you can transfer everything from SD card to your MacBook in just a few seconds. Perfect for professionals in the minimalistic SOHO environments and on-the-go.
- **4K HDMI Port:** Add a HDMI monitor to your laptop and extend viewing workspace for a more complete visual experience. The USB-C 9-in-1 4K Multiport Converter lets you directly stream 4K UHD@30Hz or full HD 1080p video to HDTV, monitor or projector for an astonishing video experience. No drivers are needed when adding a HDMI monitor for a simple Plug-n-Play Installation.
- **USB Type-A Expansion Port:** Extends 3 x USB 3.0 high speed ports which enables data transfer up to 5 Gbps. Three USB 3.0 ports allow you to connect your current USB devices to MacBook Pro or other Type-C Devices. No need to purchase new peripherals to work with your new USB-C laptop, connect your legacy peripherals like your keyboard, mouse, printer, scanner, HDD etc. When not using this as an expansion port, you can charge your mobile device while you work.
- **USB-C to Gigabit LAN:** This all-in-one converter also brings Gigabit 10/100/1000 Mbps RJ45 Ethernet capability to your computer enabling you to connect to your LAN for robust data bandwidth and increased security. When Wi-Fi networks are slow or unsecured, this is the perfect solution to get the job done.
- **USB-C Female Power Charging Pass-Thru:** There is no need to worry about running out of power while using your USB-C port. Connect your laptops original USB-C charger to the multiport converter and charge your laptop while you work or play. Providing 20V@5A of power delivery, your laptop will charge at the fast rate you expect from USB-C.
- **SD+MS card slot:** Can read and write SD or TF memory card.
- **3.5mm Audio:** Headphone Jack.
- **Special Design & finish:** Made up of aluminium casing which makes it strong, durable and gives it a high-quality surface finish, which will be a perfect companion for your favourite laptop.
- **Plug-n-play** for hassle-free installation.
- No External power requirements.
- **Broad Compatibility:** For the USB 2.0 connection, compatible with Windows XP/Vista/7/8/8.1/10,11, Mac OS, Linux, Chrome OS.
