

Product Highlights:

- This mini size SSD casing is a revolution in pocket-sized storage solution for assembling a portable **M.2 PCIe NVMe or M.2 NGFF SSD (Dual protocol)** for retrieving data or using it as a portable external drive. This enclosure is a perfect solution for data transfer or data backup.
- Super-Speed USB 3.1 performance with read & write up to **10 Gbps Data Transfer Rate**.
- With **2-in-1 cable** (Type-C to Type-C + Type- A)
- **Transmission speed:** 900+MB/s for NVME,440+MB/s for SATA
- Supports **OTG** reading and writing on Type-C interface handheld devices.
- Support: M.2 PCIe NVMe or M.2 NGFF SSD Max capacity up to **2TB SSD**
- Applicable SSD hard drive: Supports **M.2 M key or B+M Key (2230 / 2242 / 2260 / 2280 SSD drive)**.
- **Plug and Play** for any Windows, Mac, Linux or Unix Desktop, Laptop, PC with no hassles of installation & no driver required. No additional power required.
- **Hot-Swappable** without rebooting, attach and eject the drive as needed.
- With **LED indicator** to indicate the working of the SSD
- **Special Screwless Design & finish:** Made from a high-grade aluminium alloy, which has better compressive strength, making it resistant to heat and will keep your hard drive from overheating. It also keeps your SSD protected against vibration.
- Compatible with Windows XP/ Vista / 7/ 8/ 10/ 11, Mac OS X, Linux
- Small-Slim Size, **easy to carry**.
- **Package Contents:** 1 * SSD Case, 1 x 2-in-1 Type-C to Type-C + USB A data cable.

M.2 NVME/NGFF DUAL PROTOCOL SSD CASING 2280 (USB 3.1 GEN2) ER1229NS

Technical Specifications:

SKU Code	ER1229NS
Product Name	M.2 NVME/NGFF Dual Protocol SSD Casing 2280 (USB 3.1 GEN2)
Colour	Space Grey
Form Factor	2280 (Supports M key/B+M Key M.2 2230/2242/2260/2280 SSD)
Internal Interface	M Key / B+M Key
External Interface	USB 3.1 Type-C Gen2 (Backward Compatible to USB 3.0, 2.0, 1.1)
Transmission Speed	900+ MB/s for NVME, 440+ MB/s for SATA
Hard Drive Capacity	Support up to 2 TB
Casing Material	Aluminium Alloy + ABS
Power Source	Bus- Powered- Operates on the power supply from the connected computer
Cables	1 x 2 in 1 cable (Type-C to Type-C + USB A)
LED Indicator	Yes
Item Dimensions	109 x 38 x 13.8 mm
Item Weight	45 gms (without SSD)
OS Support	Windows 98 / ME / 2000 / XP / Vista / 7/ 8/ 10/ 11, Mac X OS 8.6 or up
