

Product Highlights:

- **High Speed** - HDMI 2.0 significantly increases bandwidth to 18Gbps and adds key enhancements to support market requirements for enhancing the consumer video and audio experience. Transfer rate of HDMI cable is important in performance indicator, the higher the rate, the clarity, resolution, and data transfer will be faster.
- **Resolution** – Super HD 4K60Hz (2160p), which is 4 times the clarity of 1080p/60 video resolution and delivers the more detailed, immersive, and realistic entertainment experience. Also supports 3D display formats.
- **Ethernet & Audio Return Channel** - eliminate extra network and audio cables between devices and transfers hi-definition audio/video signals between components. Less cables means slimmer cable management box.
- **Connectors** - are corrosion resistant 24k gold plated, to provide maximum conductivity and minimizes data loss and ensure excellent picture and sound quality.
- **Multi Layered Shielding** – Triple braiding shielding ensures excellent picture and sound quality for maximum performance and ultra-low SNR.
- **Compatibility** – These cables are fully compatible with Windows and MAC computer and are backward compatible with earlier versions of the HDMI Specification and can be used with existing HDMI devices.
- **Wide Applications** – It can connect with Projectors, A/V Receivers, Apple TV, Android TV (Airtel Xtreme etc), Blu-Ray Players, PS4, PS5, XBOX Series X/S, Laptops with HDMI output, 3D Player, and other HDMI devices.

Technical Specifications:

SKU Code	ER1130 - 1.5m
	ER1131 - 3m
	ER1132 - 5m
	ER1133 - 10m
	ER1134 - 15m
Product Name	HDMI 2.0 Cable
Colour	Black
Version	2.0V
AWG	32 AWG (1.5m)
	30 AWG (3m)
	30 AWG (5m)
	28 AWG (10m)
	26 AWG (15m)
Outer Diameter (OD)	5mm (1.5m)
	6mm (3m)
	6mm (5m)
	8mm (10m)
	9mm (15m)
Resolution	Support 4K 60Hz 4:2:0
Audio	ARC support (Audio Return Channel)
Compliance Resolution	Full HD 1080p, Quad HD 1440p, 3D Format, Ultra HD 4096 x 2160p @50/60Hz
Bandwidth	up to 18Gbps
Conductor	CCS (Copper clad Steel)
Connectors	*A to A, male to Male 19+1
	*24K Gold Plated connector
	*PVC Overmold
Shielding	Triple braiding shielding with PVC jacket
Compatibility	Backwards compatible with all revisions of HDMI V2.0, V1.4, V1.3, V1.1
Warranty*	1-year limited warranty*
