

USB 10-Port Hub (USB3.0 * 10) (ER1914U10)

Introduction

The USB 3.0 10-Port Hub with Power Adapter is designed to expand a single USB 3.0 port into 10 x USB 3.0 ports, providing additional connectivity for your computer. It allows for high-speed data transfer and device charging, while providing individual power control for each port. This hub features a robust aluminum case for durability and heat dissipation. This hub is ideal for connecting multiple USB devices such as external hard drives, flash drives, printers, cameras, and more. It includes a 12V power adapter to ensure stable and sufficient power for all connected devices

Product Highlights

1. **Construction:**
 - **Aluminum Case:** Durable and provides efficient heat dissipation.
2. **USB Ports:**
 - **10 USB 3.0 Ports:** Each port supports data transfer speeds up to 5.0 Gbps.
 - **Charging Capability:** Complies with BC 1.2 standard, providing 5V 1.5A for device charging.
3. **Power Control:**
 - **Individual Power Switches:** Each USB port has its own power switch for independent control.

4. Plug and Play:

- **No Driver Needed:** Simply plug into your computer and start using.
- **Hot Swappable:** Supports hot swapping of devices without the need to restart the computer.

5. LED Indicators:

- **Working Indicator Lights:** Each port has an LED indicator to show its power and activity status.

6. Protection:

- **Over-Current Protection:** Prevents devices from drawing too much current.
- **Over-Heating Protection:** Monitors temperature to prevent overheating.
- **Over-Voltage Protection:** Protects devices from voltage spikes.
- **Short-Circuit Protection:** Safeguards against short circuits.

7. System Compatibility:

- **Operating Systems:** Compatible with Windows 7/8/10/11, Windows Vista, Windows XP, and Mac OS.

Technical Specifications

Brand	EiRA
SKU Code	ER1914U10
Product model	USB 10-Port Hub (USB3.0 * 10) with individual power switch
Chipset	VL817
Input	1 x USB 3.0 type A Male
Output	* 10 x USB 3.0 Ports (female) * Charging standard BC1.2, 5V 1.5A
LED	LED working indicator light
USB Generation	USB 3.0
Power Adaptor	12V/4A
Data Transfer Rate per port	USB 3.0 up to 5GB/s
Casing material	Aluminium
Colour	Space Grey
Cable length	100 cm
Plug and Play	Yes
System supported	PCs with Windows 7/8/10/11/Vista/ MAC OS and an available USB 3.0 port
Dimensions	168 x 56 x 23.4 mm
Weight	650 gms
Warranty*	1 year

Package contents

- 10-Port USB 3.0 Hub
- 12V Power Adapter
- USB 3.0 Data Cable
- User Manual

Installation and Usage

1. **Connect the Hub:**
 - Use the included USB 3.0 data cable to connect the hub to an available USB 3.0 port on your computer.
2. **Power the Hub:**
 - Connect the 12V power adapter to the hub and plug it into a power outlet.
3. **Connect Devices:**
 - Plug your USB devices into the hub. Each port can be individually powered on or off using the respective power switch.
4. **Use the Devices:**
 - Devices should be automatically recognized by your operating system. No additional drivers are required.

Warranty & Support

- Typically includes a 1-year limited warranty (off-site).

More information and settings, please refer to the User manual or you can contact us.

For Technical support, please contact our team on number +91-8800692207, on working days, from Monday to Saturday, between 11AM to 5:30PM
