

HDMI SPLITTER

HDMI Splitter 1x2 (8K60Hz)

Where every Moment comes Alive

ER5011SP2

HDMI[®]
HIGH-DEFINITION MULTIMEDIA INTERFACE

Introduction

The **1×2 HDMI Splitter** allows one HDMI source device to be connected to **two HDMI displays simultaneously**, such as TVs, monitors, or projectors. It is designed to distribute a single high-definition signal to multiple screens while maintaining excellent image and sound quality.

This splitter also works as an **HDMI signal repeater**, making it ideal for long-distance cable installations by regenerating and stabilizing the signal. It supports ultra-high resolutions up to **7680 × 4320 @ 60Hz** for sharp, detailed output.

The unit includes **advanced EDID management** with **eight selectable EDID modes**, allowing users to optimize compatibility with different source and display devices. It also features a **built-in IR extension function** and can be used together with compatible HDMI 2.0 repeaters to remotely control the source device.

Features

- **HDR support** for improved brightness, deeper contrast, and more vivid, lifelike colours.
- **3D video compatibility**, allowing connection to 3D-enabled sources and displays.
- **CEC support on HDMI Output 1**, enabling compatible devices to control each other through a single remote.
- Supports **ultra-high-definition resolution up to 7680 × 4320 at 60Hz**, delivering extremely sharp and detailed images for professional and home entertainment applications.
- Provides a **maximum bandwidth of 40 Gbps**, ensuring smooth transmission of high-resolution, high-frame-rate video without lag or signal loss.
- Supports **8-bit, 10-bit, and 12-bit deep colour**, producing smoother colour transitions and more accurate colour reproduction.
- Built-in **IR extension function**, allowing you to remotely control the source device when used together with a compatible HDMI 2.0 repeater equipped with an IR receiver.
- Supports **EDID management**, improving compatibility between different source and display devices and ensuring optimal resolution and audio settings.
- Supports **IR-TX on HDMI Output 2**, enabling flexible infrared control setups.

Specifications

HDMI Resolution	Up to 7680 × 4320 @ 60Hz
Video Format	8-bit / 10-bit / 12-bit Deep Color
Audio Format	DTS-HD, Dolby TrueHD, DTS, Dolby AC-3, DSD
Maximum Data Rate	40 Gbps
Input Cable Distance	≤ 5 m (8K @60Hz, HDMI 2.1 standard cable)
Output Cable Distance	≤ 5 m (8K @60Hz, HDMI 2.1 standard cable)
Maximum Working Current	0.7 A
Power Adapter	Input: AC 100–240V, 50/60Hz • Output: DC 5V / 2A
Operating Temperature	–15°C to +55°C
Dimensions (L × W × H)	154 × 60 × 24 mm
Weight	335 g

Physical interface diagram

Interface	Functional description
RS232	RS232 port ,serial port on line upgrade
IR	IR TX Extension Interface
EDID	DIP switch, using for EDID management
DC/5V	5V Power Interface
OUTPUT1-2	HDMI output port 1-2
INPUT	HDMI input port

IR Extension description

There is an IR TX Extension port, it can work with an optional HDMI 2.0 repeater which works as IR-RX and IR extended via HDMI cable.

DIP EDID Switch Description

1	2	3	4	
X	0	0	0	copy output1 EDID only
X	0	0	1	Downward compatibility(1-2) outputs
X	0	1	0	4K/60Hz 2ch
X	0	1	1	1080p 3D 2ch
X	1	0	0	8K/60Hz 7.1ch
X	1	0	1	4K/30Hz 2ch
X	1	1	0	1080p 2D 2ch
X	1	1	1	1080p 2D 7.1ch

DIP 1 is used for upgrades, 1 is upgrading mode, 0 is normal working mode (switch down is 1, otherwise is 0)

Connection diagrams

Connection and Operation

1. Connect your **HDMI source device** (such as a DVD player, set-top box, or computer) to the **HDMI input** of the splitter using one HDMI cable.
2. Connect the **two HDMI output ports** of the splitter to your **displays (TVs/monitors/projectors)** using HDMI cables.
3. Plug the **5V/1A power adapter** into the splitter and switch on the power. The splitter will start working automatically.

The package includes

- | | | |
|------------------|-----|-----------------------------|
| 1. HDMI splitter | 1pc | 4: IR cable (optional) |
| 2. Power adapter | 1pc | 5: HDMI repeater (optional) |
| 3. User manual | 1pc | |
